

# CRIOCM 2026

## The 31<sup>st</sup> International Symposium on Advancement of Construction Management and Real Estate

13 - 18 July 2026 | Sydney, NSW | Australia

Experience six days of insight, innovation, and intense networking experiences at **CRIOCM 2026**, the 31st edition of the leading international symposium on construction management and real estate. Connect with global experts, explore the latest research, and contribute to forward-thinking discussions across keynote speeches, technical sessions, and collaborative panels.

This year's conference is proudly hosted in Australia by the **China Research Institute of Construction Management (CRIOCM)**, in partnership with **Western Sydney University**, including the **School of Built Environment and Design**, and the **ARC Training Centre for the Digital Platform for Net-Zero Lifecycle Ecosystem (NØBEL)**.

### Why Attend CRIOCM 2026?

- Network with a global community of academics, practitioners, and industry experts
- Engage in high calibre discussions across four interdisciplinary theme streams
- Contribute to impactful research outcomes, including consideration for publication in *Lecture Notes in Operations Research* (Springer)
- Enjoy a unique conference at Western Sydney University, combining world-class research with stunning destinations and exceptional networking

### Launch of NØBEL

The conference will officially launch **NØBEL**, marking Western Sydney University's leadership in sustainable infrastructure research and training. This initiative brings together experts from academia, government, and industry to support Australia's net-zero goals across industrial lifecycles.

Australian Government  
Australian Research Council

## Information

### Conference Themes

- 01 Organisation and management
- 02 Sustainability and resilience
- 03 Digitalisation and industrialisation
- 04 Construction engineering and materials

### Key Dates

#### 13 February 2026

Full paper submission deadline

#### 30 February 2026

Notification of paper acceptance

#### 10 May 2026

Conference registration deadline

#### 13-18 July 2026

Conference days

### Submission

Follow the instructions via:  
<https://www.nobel.org.au/conference>

### Organisers

- Western Sydney University,
- The Chinese Research Institute of Construction Management (CRIOCM),
- ARC Industrial Transformation Training Centre for Digital Platform for Net Zero Lifecycle Ecosystems (NØBEL)
- CIB - the International Council for Research and Innovation in Building and Construction
